

CLIMATE ACTION ADVISORY COMMITTEE

Proposed Meeting Schedule

2026

Note: This schedule is proposed for discussion and other items of interest are welcome. Detailed meeting agendas will be developed and shared in advance of each meeting.

Topic	Date	Key Objectives
Community Event – Climate-ready homes: Staying cool in the summer (and warm in the winter)	March 18, 2026	<ul style="list-style-type: none">- Host an event that informs residents about the risks of high indoor temperatures and connects them with information on improving home comfort, energy efficiency, and available rebates for upgrades such as heat pumps.
Biodiversity Strategy Workshop	May 6, 2026	<ul style="list-style-type: none">- Review draft Biodiversity Strategy and obtain input on themes and proposed actions.
Community Event – Biodiversity Strategy Public Engagement	May 20, 2026	<ul style="list-style-type: none">- Host an event that increases the public’s understanding of biodiversity, raises awareness of the District’s Biodiversity Strategy, and seeks input on emerging themes and proposed actions resulting from the technical and engagement work to date.
Tour – Maplewood Fire and Rescue Centre	September 23, 2026	<ul style="list-style-type: none">- Tour of the new Maplewood Fire and Rescue Centre to explore its sustainable and environmentally friendly design features.
Corporate Climate Action Update		<ul style="list-style-type: none">- Update on corporate climate action progress and new initiatives, including electrification projects and building controls optimization.
