Additional Information:

The permit will be issued on terms and conditions established by the District from time to time including the following:

1. This water will be used ONLY for a newly planted or nematode treated lawn between May 1 and October 15 of the year of this application. This permit extends allowable watering to every day of the week between the morning hours of 4:00am – 9:00am. Further exemption is granted only for the FIRST day of a nematode treatment where watering may occur at any time.
2. This permit is revocable in the case of a high stage water shortage, without prior notice, entirely at the discretion of the District Engineer.
3. This permit expires 3 weeks from the date of issue and is revocable at any time, without prior notice, entirely at the discretion of the District Engineer.
4. Please note the permit must be prominently displayed at the premises.

The personal information collected on this form is done so pursuant to the Community Charter and/or the Local Government Act and in accordance with the Freedom of Information and Protection of Privacy Act. The personal information collected herein will be used only for the purpose of processing this application or request and for no other purpose unless its release is authorized by its owner, the information is part of a record series commonly available to the public, or is compelled by a Court or an agent duly authorized under another Act. Further information may be obtained by speaking with The District of North Vancouver's Manager of Administrative Services at 604-990-2207 or at 355 W Queens Road, North Vancouver.
