

Disc Golf Service Level & Options

Council Meeting
July 6, 2026

Background

Eastview Park, City of North Vancouver

- Received Council direction on October 7, 2024:
 - *Review current disc golf playing facilities available on the North Shore.*
 - *Explore options for a potential course in the District.*

Approach

Central Park Pitch and Putt, Burnaby

- Review regional service levels and trends.
- Consult with municipalities and local groups.
- Assess District parks using site criteria.

Key Findings

Rockridge Secondary, West Vancouver

- No “ideal” site identified, with trade-offs at all potential locations.
- Key considerations:
 - Park user conflicts
 - Environmental impacts
 - Neighbourhood impacts
 - Amenities (parking, washrooms)

Service Context

Revelstoke Mountain Resort

- There are existing and planned courses on the North Shore.
- Service level consistent with comparable communities.
- Additional facilities planned (West Vancouver, Mt. Seymour).

Recommended Approach

Pop-up Event, Rupert Park, Vancouver

- Start with temporary installations and events using existing park permitting processes.
- Monitor and learn from local and regional initiatives.

Staff Recommendation

- THAT disc golf facilities be temporarily provided at Cleveland Park for events and tournaments. **(Recommendation).**
