Hello,

I am writing this email to voice my excitement for the expansion of Bluesky daycare.

My [REDACTED] attends this daycare and it has been such a joy for our family as Pari and staff go above and beyond for our little one to learn, have fun and have nutritious meals on a day to day basis. We are more than comfortable leaving [REDACTED] in her care every day.

The expansion of Bluesky would mean that my [REDACTED] would have the chance to get the necessary curriculum and learn with kids in his same age group.

Another bonus would be if my husband and I chose to have another baby we would be able to put them in the same daycare knowing they would be learning different curriculum based on their age without driving around the city to two separate daycares.

Thanks for taking the time to read and consider.

Dear District of North Vancouver Council and Staff,

My name is Azadeh Safaie, a District of North Vancouver resident and a [REDACTED]. I am a parent and my child has been attending Blue School Daycare for the 3rd year now.

I am writing to support expansion of Blue Sky Daycare. It has been a blessing to work with Pari and her staff since 2023. Finding a caring, trustworthy child care provider was a challenge with my first child so when my second child joined Blue Sky Daycare, it was a huge relief.

Spring of 2023, I was desperate to find childcare so I can go back to work. I decided to walk around Braemar School area [REDACTED] carrying my baby in a baby carrier determined to find a daycare. One of the neighbours walking her dog was kind enough to tell me about Blue Sky Daycare when I asked "hi there, do you by any chance know a daycare in this area?"

Same night, I reached out to our school community [REDACTED] of parents and one of the parents mentioned that their twins are attending a daycare called Blue Sky... what a coincident I thought..

Since then Pari's daycare has become the home away from home for my [REDACTED]. [REDACTED] learned to walk there... [REDACTED] learned to talk there... [REDACTED] been growing and the learning hasn't stopped ever since. Every day [REDACTED] comes home with a big smile and stories of what [REDACTED] has done. Beautiful art works that I frame and decorate our home with. Songs that [REDACTED] proudly signs at bedtime that [REDACTED] has learned at daycare which brings us joy and giggles.

Blessed to have Pari and her staff in our life, I wish more parents and children can benefit from and have the same positive experience that our family has with Blue Sky Daycare.

I appreciate the opportunity to express my support of this application sharing the positive impact that Pari is making on our lives every day with the District of North Vancouver Council and Staff. Feeling grateful for living in a community where we all can freely express our opinions and feel heard.

Best regards,

Azadeh Safaie
